The company that provides the app service is working on a new solution/app. You can continue to enjoy the The Delaware Library Catalog website since it was developed to work on mobile devices!

What you can do now:

- Access the Delaware Library Catalog on any device from a browser on your device directly at dlc.lib.de.us
- Make it a "Home Page Quick Link" (Instructions below)
- Access services at delawarelibraries.org

Quick links to services:

- List of Libraries - delawarelibraries.org/list-of-libraries
- Library Operating Hours - delawarelibraries.libcal.com/hours
- Access "My Account" - dlc.lib.de.us
- Access Event Calendar - delawarelibraries.libcal.com
- Ask a Librarian DE - answers.delawarelibraries.org

Add a quick link to the site by adding to your home screen.

The Delaware Library Catalog is designed to work on all devices via a browser.
